

MAKE AT HOME

NANA'S LEMONADE

It's a hot summer day. Time to cool down together and make an ice-cold treat!

What You Need

5 cups of water

5-7 fresh lemons (you will need about 1 cup of fresh lemon juice)

1/2 cup of raw, local honey (or more to taste)

Pinch of basil (optional)

What You Do

1. Squeeze juice from lemons, or use juicer, to get about 1 cup's worth of juice.
2. Combine juice with raw honey in pitcher.
3. Mix well.
4. Stir in water and some frosty ice cubes with a pinch of cut up basil leaves or lemon slice garnish.
